The Seventh annual workshop on *Research Advances in Organizational Behavior and Human Resources Management* will be held at the CRM (CNRS) and the IAE - University of Toulouse, in France, on May 18 to 20, 2010. We are inviting researchers and PhD students to submit a paper for presentation. Below is some information concerning the submission process and the workshop schedule.

## **Workshop schedule**

The workshop deals with the following topics: Work Motivation, Commitment in workplace, Organizational Justice, Diversity, Social Exchange Theory, Employment relationships, LMX & TMX, compensation management, new questions on OB-HRM researches.

We welcome papers taking either a theoretical or an empirical perspective on these topics. They could be a research in progress, a draft, or a completed study before being submitted for an academic review. It could also be advances in a doctoral research project. All papers selected will be reviewed and commented on by two guests.

Authors will have 20 minutes for presenting their research. This period will be followed by 25 minutes discussion time, including specific feedback from Guests and an open discussion with researchers.

The workshop will also include conferences and Ph-D session for “junior paper”.

Language: English
